TESCO

Dear Friend

I would like to help you to save up to £365 every year by putting your green foot forward and following in my reduced carbon footsteps!

Since installing loft and cavity wall insulation into my home through the

Tesco Home Insulation Service, I'm:

- * Saving up to £365 every year
- * Beating rising fuel costs
- * Reducing my carbon footprint

For under £200 or even free in some cases, you too could enjoy the benefits of an energy efficient home!

So....wish you were here?!
